### **Chairman** ([chairman@ddrcc.co.uk](mailto:chairman@ddrcc.co.uk))

Happy New Year.

We have been testing brushless motors for the Mardave class, contact the committee during January with your feedback. The aim is to make the speed the same as we currently use with the ProStock 23 turn motors.

### **Treasurer** ([treasurer@ddrcc.co.uk](mailto:treasurer@ddrcc.co.uk))

Remember that Club Membership is still £7, with BRCA fees rising £1 to £13.

### **Secretary** ([secretary@ddrcc.co.uk](mailto:secretary@ddrcc.co.uk))

If you still have not joined the BRCA when we start back in 2009, you must join the club before you can race, forms can be downloaded from [www.ddrcc.co.uk](http://www.ddrcc.co.uk). Affiliated members please bring your BRCA membership card with you the first week to the club.

### **Shop**

Back in stock are the UFRA Jap tyres, 44,46 & 48 shore.

Back in stock are Yokomo 23T motors. Plenty to go around now with more on order for January 09.

Mardave Brushless Speed Controller, Motor & Programmer available £94.95.

### **Members News**

If you have any news items send them to the [secretary@ddrcc.co.uk](mailto:secretary@ddrcc.co.uk)

### **PT Fund**

If you help with the track at the end of the night, mind and see Alistair to claim your £2 back. If you put this in your PT fund you can save up for a new PT or any other item the club sells, including membership.

### **Mardave Brushless Update**

We have identified a problem with the Mardave brushless system. If you purchased a speed controller from the club please return it with the programmer for a free upgrade. The problem is that there is a power loss at 4 minutes. We are also getting a power gain (which is free) to better match the ProStock motors currently used at the club. We are also looking at improving the automatic setup.

### **Outstanding PT's**

The following people have not returned transponders loaned to them, if you know them please ask them to return the PT's.
